BEST HOTELS IN THE WORLD

#2 FAENA MIAMI BEACH

TRULY EXTRAORDINARY HOTELS

Faena M.B. comes in as number 2 in our Top 4, redefining over-the-top luxury and winning big at it.

Faena, Miami Beach

FAENA; MIAMI BEACH, USA: As the new luxury hotels look for sober dark woods or peaceful white decors, Faena goes bright red and wakes up South Beach with golden mammoths and unicorns. Thank you Alan Faena for taking a risk, for giving a grand salute to our Art Deco roots! You don't just stay at the Faena; you visit it and you live it, discovering new creative treasures throughout all its original spaces or venues. Service is uncompromising. One of our clients had fun measuring the record setting time it would take for room service to deliver his order! Did you know that Faena Miami's GM, Nicole Sinclair, received the only Forbes 5 star award given after only 1 year of operation?

Doer's Viewpoint

Our **Doer Marine** tells us: "We have been close to the Faena team since we were touring with hard hats during the construction. I see it as an original salute to the Art Deco era, with a carnival of colors and arts everywhere. I love all the suites, which are huge with great balconies. Faena is for people who want novelty and seek prime entertainment."

About Miami Beach

A rich history, perfect-weather, sexy locals, latin flare and several niche neighborhoods comprise beloved Miami Beach, a peninsular paradise that boasts hot sun and cool entertainment. Affectionately called "The Beach," this vacation destination is a short trip from the mainland yet far away from stressful city living. Spend the day sprawled along the sand and the evening perusing Collins Ave for sultry dance clubs and delectable open air dining. Early-risers and night owls find the Miami they want in Miami Beach.

More Things to do:

RENT A LUXURY YACHT: The best way to experience Miami and its fabulous skyline views is, undoubtedly, by water aboard a luxury yacht. Relax while sipping cocktails on the deck or turn it into a party for friends while taking in the city lights at night.

SOUTH BEACH & THE LOCALS: From white sand, warm water, volleyball nets and ample people-watching opportunities going to the beach in "SoBe" is an absolute must. See for yourself why this world class beach destination is as alluring as the imagination suggests.

CALLE OCHO FOOD: For an extraordinary cultural immersion go on a culinary tour through Miami's famed Little Havana. After having the most Cuban food you've ever had, stop for a mid afternoon domino's match with some of the most seasoned locals.

WYNWOOD WALLS & GRAFFITI: Wynwood has become a giant canvas and a mecca for the world's greatest street artists to imprint their beautiful colors. Miami's Best Graffiti Guide shows you the best to see in the area and teaches you how to create your very own graffiti!!

LOBSTER FEAST & SAND-BAR PARTY: Come party with the locals at the sand-bar in Islamorada. Catch your own lobsters and have them cooked to perfection right on the water. No license is needed in the state of Florida to rent a boat and you can find one for as little as \$250 for half a day.

JET PACKING AQUATIC ADVENTURE: Dare to try the ultimate water toy that makes you feel like a pilot. Come fly on and over the waters of miami on a jet-pack and you'll never be afraid of heights again. There are different levels based on skills and no previous experience is required.
